## OFFICE OF THE SECRETARY TO THE PRESIDENT

*New Delhi, the 15th July 1955*

**No. 20-Pres./55.**—The President has been pleased to award the Police Medal for gallantry to the under-mentioned officer of the West Bengal Police:—

**Name of the officer and rank.**—Shri Lakshmi Nath Pandey, Constable No. 1002, District Police, 24-Parganas, West Bengal.

**Statement of services for which the decoration has been awarded.**—On the 4th August 1954 at about 11 A.M. Constable 387 Ram Prasad Limboo of the 2nd Armed Police Battalion, West Bengal, while boarding M. L. PUNARBHABA at Sambhunagar, Police Station Sandeshkhali, District 24-Parganas, from a country boat, fell into the river in full uniform and with a rifle in his hand. Constable Limboo did not know how to swim. Following a hue and cry Constable 1002 Lakshmi Nath Pandey of the 24-Parganas District jumped into the tidal river infested with sharks in complete disregard of his own safety and succeeded in rescuing the drowning constable who was being carried away by the strong current of the river in an unconscious state. Constable Lakshmi Nath Pandey had to struggle in the water against the swift current for sometime to recover the drowning constable. The place was 20/25 cubits away from the banks and the river there was 15/16 cubits in depth. After rescuing the constable, he again plunged into the river and after prolonged efforts succeeded in recovering the lost rifle risking his life for the second time.

Constable 1002 Lakshmi Nath Pandey showed conspicuous gallantry and cool courage in saving the life of a fellow constable in utter disregard of his own safety.

2. This award is made for gallantry under rule 4(i) of the rules governing the award of the Police Medal for gallantry and consequently carries with it the special allowance admissible to officers of and below the rank of Inspector of Police as provided in rule 5.

**MINISTRY OF RAILWAYS  
(Railway Board)**

*New Delhi, the 16th July 1955*

**No. E55RR2.**—The following rules for recruitment to the Indian Railway Service of Engineers are published for general information:—

**RULES**

**PART I—GENERAL**

1. These Rules may be called the Indian Railway Service of Engineers Recruitment Rules.

2. For the purpose of these Rules—

- "Government" means the Government of India.
- "The Commission" means the Union Public Service Commission.
- "The Service" means the Indian Railway Service of Engineers. The various grades of posts included in the Service, their classification, pay scales and special conditions of Service shall be as included in Appendix IV to these rules.
- "Scheduled Castes" means any castes, communities, races, sects, etc., notified as such by the President of India.
- "Scheduled Tribes" means any castes, communities, races, sects, etc., notified as such by the President of India.

3. The Service shall be recruited by the following methods:—

- By competitive examination held in India in accordance with Part II of these Rules.
- By promotion of specially qualified class II officers, including officiating class II officers of the Civil Engineering Department.

Not more than 33 1/3 per cent. of the vacancies will be filled by departmental promotion; this percentage is likely to be varied from time to time if found necessary.

- (c) By occasional admission of other qualified persons appointed by the Government on the recommendations of the Commission.

4. Subject to the provisions of rule 3, Government shall determine the method or methods to be employed for the purpose of filling any particular vacancies, or such vacancies as may require to be filled during any particular period, and the number of candidates to be recruited by each method.

5. Appointments to the Service made otherwise than by promotion will be subject to orders issued from time to time by the Ministry of Home Affairs regarding special representation in the Services for specific sections of the people.

#### PART II—RECRUITMENT BY COMPETITIVE EXAMINATION

6. A competitive examination for admission to the Service shall be held in India at such times and places as may be prescribed in the Notice issued by the Commission. Every such Notice will, when possible, announce the number of vacancies to be filled on the result of the examination.

7. If the examination held under this part of these Rules is a combined examination for the purpose of making appointments to more than one Service or Department, the following provisions shall apply:—

- (a) Any person may apply to be admitted as a candidate for appointment in all or any of these Services or Departments for which he is eligible. If he wishes to compete for appointment in more than one Service or Department, he shall state in his application form which Services or Departments he wishes to compete for and the order of his preference for them, and in such case only one application form will be necessary and on payment of the fees referred to in rule 18 (and Appendix III) will be sufficient.
- (b) Government shall assign successful candidates to each Service or Department on a consideration of all circumstances including any personal preference expressed by the candidate.

8. The maximum number of candidates to be admitted to any examination may at the discretion of the Commission be limited to such number, not being less than 200, as the Commission may decide. If a limit is imposed and the number of candidates exceeds that limit, the Commission shall select from the applicants those who shall be admitted to the examination, and in doing so shall have regard to the suitability of the applicants.

9. A candidate must apply to be admitted to the examination before such date, in such manner, and in such form as the Commission may prescribe.

10. A candidate must be

Any such persons who re-entered or may re-enter such service with a break, after the 26th January 1950, will however require certificates of eligibility in the usual way.

A candidate in whose case a certificate of eligibility is necessary may be admitted to the examination and he may also be provisionally appointed subject to his necessary certificate being eventually issued in his favour by Government.

11. No male candidate who has more than one wife living shall be eligible for appointment to any of the Services appointments to which are made on the results of this competitive examination unless the Government of India after being satisfied that there are special grounds for doing so, exempt any male candidate from the operation of this rule.

12. A candidate must have attained the age of 20 and must not have attained the age of 25 on the date prescribed for this purpose in the Notice issued by the Commission under Rule 6.

NOTE I.—In exceptional cases the Commission may on the recommendation of the Central Government or a State Government treat as a qualified candidate, a candidate who though he has not all or any of the qualifications prescribed in this rule, has passed examinations conducted by other institutions of a standard which in the opinion of the Commission justifies his admission to the examination.

NOTE II.—Candidates who have appeared at an examination the passing of which would render them eligible to appear at this examination, but have not been informed of the result, may apply for admission to the examination. Candidates who intend to appear at such a qualifying examination may also apply, provided that the qualifying examination is completed before the commencement of this examination. Their applications will be accepted provisionally and they will be required to furnish proof of having passed the examination as soon as possible and in any case not later than two months after the commencement of the examination.

- (b) by the Central Government from employment under the Government.

17. No recommendations except those required in the application form shall be taken into consideration. Any attempt on the part of a candidate to obtain support for his candidature by other means may disqualify him for admission.

18. Candidates must pay such examination fees as Government may prescribe (see Appendix III). No claim for a refund of any of these fees will ordinarily be entertained, nor can they be held in reserve for any other examination or selection.

19. Examinations under these Rules shall be conducted by the Commission in the manner prescribed in the regulations which form Appendix II to these Rules.

20. (a) After every examination the Commission shall make a list of the candidates in order of their merit as disclosed by the aggregate marks finally awarded to each candidate, and in that order so many candidates up to the number of unreserved vacancies announced under rule 6 above, as are found by the Commission to be qualified by the examination and are considered by Government or the appointing authority, as the case may be, to be suitable in all other respects, shall be appointed.

(b) Appointments to vacancies to be filled by members of a particular community or communities shall be made by Government or the appointing authority as the case may be, in the order of merit of the candidates belonging to the particular community or communities, provided they have qualified in the examination and are in all respects suitable for employment in the service.

(c) Success in the examination confers no right to appointment, unless Government are satisfied, after such enquiry as may be considered necessary that the candidate is suitable in all respects for appointment to the public service.

21. A candidate must be in good mental and bodily health and free from any physical defect likely to interfere with the discharge of his duties as an officer of the Service. Only candidates who are likely to be considered for appointment will be physically examined.

Particulars of the nature of the Physical test to which candidates will be submitted before appointment and of the standard required can be had from the Commission.

22. (a) Appointments shall be made on probation for a period of three years.

(b) If, in the opinion of Government, the work or conduct of an officer on probation is unsatisfactory, or shows that he is unlikely to become efficient, Government may discharge him forthwith.

(c) On the conclusion of his period of probation, Government may confirm the officer in his appointment, or if his work or conduct has in the opinion of Government been unsatisfactory Government may either discharge him from the Service or may extend his period of probation for such further period as Government may think fit.

(d) If no action is taken by Government under sub-rule (b) or (c) of this rule, the period after the prescribed period of probation shall be treated as an engagement from month to month, terminable on either side on the expiration of one calendar month's notice in writing.

(e) If the power to make appointments in the Service is delegated by Government to any officer, that officer may exercise any of the powers of Government under this rule.

### APPENDIX IV

#### Particulars regarding the Indian Railway Service of Engineers

1. Candidates selected for appointment under rule 3(a) will be appointed as probationary officers for a period of three years during which their services will be liable to termination on three months' notice on either side. They shall undergo practical training for the first two years. Those favourably reported upon at the end of the two years' training and who have passed any departmental examination or examinations that may be prescribed will be given charge of a working post during the third year of their probationary period. At the end of this period, they will be confirmed in the Indian Railway Service of Engineers, provided they have passed all the prescribed examinations and are considered fit for permanent appointment. On confirmation, their agreement will be continued subject to their service being terminable on six months' notice on either side.

On appointment a probationer shall execute an agreement binding himself and one surety jointly and severally to refund in the event of his failing to complete the probation to the satisfaction of the Central Government, any moneys paid to him consequent on his appointment as probationer.

Probationers will be required to undergo training at the Railway Staff College, Baroda in two phases, once in each of the 2 years' training. They will be given more than one chance to qualify in the training course but will not be confirmed till they have passed it, their training period being extended accordingly with consequent extension of the total probationary period.

NOTE.—The period of training and the period of probation against a working post may be modified at the discretion of Government.

If the period of training is extended in any case due to the training not having been completed satisfactorily, the total period of probation will be correspondingly extended.

2. (a) Probationers will not be permitted to apply for appointment elsewhere or appear for examination or selection for recruitment to other services.

(b) In cases where Probationers have already appeared at the Combined Competitive Examinations prior to their allotment to the Railway Service and qualify for appointment to services other than Railway Services, the question of their release from Railway Service will be considered only when they are prepared to refund in cash the cost of the training and other moneys paid to them during the period of their probation before they are actually relieved.

3. Officers will be required to pass a riding test within the probationary period of three years. A probationer who fails to pass the test within the period of probation due to his own fault will not ordinarily be confirmed or allowed any increment raising his pay beyond the 380 stage in the time scale. If, in any case, however, an officer is unable to get facilities for training in riding and passing the riding test during the period of probation through no fault of his own, his confirmation will not be held up nor will his increments be stopped. In such cases, the officer should however, pass the riding test within a period of five years from the date of joining service, failing which his subsequent increment will be stopped till he passes the test.

NOTE.—An officer who has obtained a certificate from Government or a recognised Indian University or Engineering Institute of having passed the riding test before appointment as a probationer, may be exempted by the General Manager/Chief Administrative Officer, from passing the riding test, provided the test passed is of the same standard.

4. Officers will be required to pass a language examination in Hindi in Deva Nagari Script by the Lower Standard modified to suit the requirements of the Railways before they can be confirmed or before their pay can be raised from Rs. 350 p.m. to Rs. 380 p.m. in the time-scale during the period of probation. Officers who can speak Hindi and read and write it may be exempted by the General Manager/Chief Administrative Officer from passing the language examination. Failure to pass the examination within the probationary period involves liability to removal from service.

NOTE.—Some knowledge of Hindi prior to entry into service would be of advantage in passing departmental examinations.

5. Officers of the Indian Railway Service of Engineers recruited under these regulations, will not be entitled to pension on quitting the service, but will be eligible throughout their service for the benefits of the State Railway Provident Fund, to which they will be required to subscribe, and by the rules of which Fund they will be required to abide.

6. Pay will commence from the date of joining service. Service for increments will also count from the same date. Particulars as to pay are contained in para. 9 of this Appendix.

7. Officers recruited under these regulations shall be eligible for leave in accordance with the rules for the time being in force applicable to officers of Indian Railways.

8. Officers will ordinarily be employed throughout their service on the Railway to which they may be posted on first appointment and will have no claim, as a matter of right, to transfer to some other Railway. But the Government of India reserve the right to transfer such officers, in the exigencies of service to any other Railway or project in or out of India.

Officers will be liable to serve in the Stores Department of the Indian Railways if and when called upon to do so.

9. The relative seniority of officers appointed under rule 3(a) will ordinarily be determined by their order of merit in the competitive examination. The Government of India, however, reserve the right of fixing seniority at their discretion in individual cases. They also reserve the right of assigning to officers appointed under rules 3(b), 3(c) and (4) positions in the seniority list at their discretion.

NOTE.—If the period of training and consequently the period of probation is extended in any particular case due to the training not having been completed satisfactorily, the officer concerned is liable to lose in seniority.

10. The following are the rates of pay admissible to officers appointed in India to the Indian Railway Service of Engineers:—

Junior Scale.—Rs. 350—350—380—380—30—590—  
E.B.—30—770—40—850.

Senior Scale.—Rs. 600 (1st to 6th year)—40—  
1,000—1,000—1,050—1,050—1,100—1,100—1,150.

Junior Administrative grade.—Rs. 1,300—60—1,600.

Senior Administrative grade.—Rs. 1,800—100—  
2,000—125—2,250.

NOTE.—Probationary officers will start on the minimum of the junior scale and will count their service for increment from the date of joining. They will, however, be required to pass any departmental examination or examinations that may be prescribed before their pay can be raised from Rs. 350 p.m. to Rs. 380 p.m. in the time-scale.

If they fail to pass the departmental examination within the probationary period, increments from Rs. 350 to Rs. 380 will be stopped. In cases where Probationary period is to be extended for failing to pass all departmental examinations within the stipulated period, on their passing the departmental examination, the drawal of the first and subsequent increments will be regulated by Rules and Orders in force from time to time.

11. The increments will be given subject to sub-para. to Note under para. 10 above, for approved service only, and in accordance with the rules of the Department.

12. Promotions to the administrative grades are dependent on the occurrence of vacancies in the sanctioned establishment and are made wholly by selection; mere seniority is considered to confer no claim for promotion.

Particulars regarding the Signal Engineering Department of the Superior Revenue Establishment of State Railways

1. Candidates selected under rule 3(a) will be appointed as probationers for a period of three years during which their service will be liable to termination on three months' notice on either side. They will undergo training during the first two years, which will include a suitable course of training in Telecommunications work.

On appointment a probationer shall execute an agreement binding himself and one surety jointly and severally to refund in the event of his failing to complete the probation to the satisfaction of the Central Government, any moneys paid to him consequent on his appointment as probationer.

Probationers will be required to undergo training at the Railway Staff College, Baroda. They will be given more than one chance to qualify in the training course but will not be confirmed till they have passed it, their training period being extended accordingly with consequent extension of the total probationary period.

At the conclusion of the training, candidates who are favourably reported upon and who have passed any departmental examination or examinations that may be prescribed, will be given charge of a working

post during the third year of their probationary period at the end of which period they will be required to undergo a final practical departmental examination, and will, if successful, be confirmed in the Signal Engineering Department of the Superior Revenue Establishment of Indian Railways. On confirmation, their agreement will be continued subject to their service being terminable on six months' notice on either side.

The period of training or of probation in working post may be modified by Government at any time if deemed necessary. If the period of training is extended in any case due to the training not having been completed satisfactorily the total period of probation will be correspondingly extended.

NOTE.—On railways where there are specialised Tele-Communications posts, an additional training for a period of six months in Tele-Communications may be arranged in any particular case; in such cases, the period of probation in a working post referred to above will be reduced by six months.

2. (a) Probationers will not be permitted to apply for appointment elsewhere or appear for examination or selection for recruitment to other services.

(b) In cases where Probationers have already appeared at the Combined Competitive Examinations prior to their allotment to the Railway Service and qualify for appointment to services other than Railway Services, the question of their release from Railway Service will be considered only when they are prepared to refund in cash the cost of the training and other moneys paid to them during the period of their probation before they are actually relieved.

3. Officers will be required to pass a language examination in Hindi in Deva Nagari Script by the Lower Standard modified to suit the requirements of the Railways before they can be confirmed or before their pay can be raised from Rs. 350 p.m. to Rs. 380 p.m. in the time-scale during the period of probation. Officers who can speak Hindi and read and write it may be exempted by the General Manager/Chief Administrative Officer from passing the language examination. Failure to pass the examination within the probationary period involves liability to removal from service.

NOTE.—Some knowledge of Hindi prior to entry into service would be of advantage in passing departmental examinations.

4. Officers of the Signal Engineering Department of the Superior Revenue Establishment of Indian Railways recruited under these regulations will not be entitled to pension on quitting the service, but will be eligible throughout their service for the benefits of the State Railway Provident Fund, to which they will be required to subscribe, and by the rules of which Fund they will be required to abide.

5. Pay will commence from the date of joining service. Service for increments will also count from the same date. Particulars as to pay are contained in para 9 of this Appendix.

6. Officers recruited under these regulations shall be eligible for leave in accordance with the rules for the time being in force applicable to officers of State Railways.

7. Officers will ordinarily be employed throughout their service on the Railway to which they may be posted on first appointment and will have no claim as a matter of right, to transfer to some other Railway. But the Government of India reserve the right to transfer such officers, in the exigencies of service, to any other Railway or project in or out of India. Officers will be liable to serve in the Stores Department of the Indian Railways if and when called upon to do so.

8. The relative seniority of officers appointed under rule 3(a) will ordinarily be determined by their order of merit in the competitive examination. The Government of India, however, reserve the right of fixing seniority at their discretion in individual cases. They also reserve the right of assigning to officers appointed under rules 3(b) and (c) 4 positions in the seniority list at their discretion.

NOTE.—If the period of training and consequently the period of probation is extended in any particular case due to the training not having been completed satisfactorily, the officer concerned is liable to lose in seniority.

Department of the Superior Revenue Establishment of Indian Railways:—

Junior Scale—Rs. 350—350—380—380—30—590—EB.—30—770—40—850.

Senior Scale—Rs. 600 (1st to 6th year)—40—1,000—1,000—1,050—1,050—1,100—1,100—1,150.

Junior Administrative Grade—Rs. 1,300—60—1,600

Senior Administrative Grade—Rs. 1,600—100—1,800.

NOTE.—Probationary officers will start on the minimum of the junior scale and will count their service for increment from the date of joining. They will, however, be required to pass any departmental examination or examinations that may be prescribed before their pay can be raised from Rs. 350 p.m. to Rs. 380 p.m. in the time scale.

If they fail to pass the departmental examination within the probationary period, increments from Rs. 350 to Rs. 380 will be stopped. (b) In cases where Probationers have already appeared at the Combined Competitive Examinations prior to their allotment to the Railway Service and qualify for appointment to services other than Railway Services, the question of their release from Railway Service will be considered only when they are prepared to refund in cash the cost of the training and other moneys paid to them during the period of their probation before they are actually relieved.

They also reserve the right of assigning to officers appointed under rules 3(b) and (c), and 4 positions in the seniority list at their discretion.

Officers will be liable to serve in the Stores Department of Indian Railways if and when called upon to do so.

8. The relative seniority of officers recruited under rule 3 (a) will ordinarily be determined by the order of merit at the end of their first four years' training, while in the case of those recruited under rule 3(b), the relative seniority will ordinarily be determined by the order of merit in the competitive examination. As between officers recruited under rule 3(a) and those recruited under rule 3(b) who enter working posts in the same year, the seniority will be interpolated. The Government of India, however, reserve the right of fixing seniority at their discretion in individual cases. They also reserve the right of assigning to officers appointed under regulation 3(c) and 3(d) positions in the seniority list at their discretion.

**NOTE.**—If the period of training and consequently the period of probation, is extended in any particular case due to the training not having been completed satisfactorily, the Officer concerned is liable to lose in seniority.
